

# summer | fall 2012

## course preview

Priority registration begins **February 27.**

Montgomery County  
Community College

Blue Bell | Pottstown  
mc3.edu

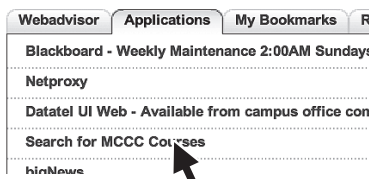

# The course listings in this catalog are current as of Feb. 7, 2012.

Because we are continually adding, deleting and updating classes, this guide is only a good approximation of available courses, and should only be used as a planning guide.

For the most up-to-date listings:

Login to your **mymc3** at **mc3.edu**.

Click on **Search for MCCC Courses** under the **Applications** tab.

Select **Courses** or **Sections** and **type in** what you want to register for and click **Search**.

A list of courses or sections will be displayed. **Click on** the course or section you want.

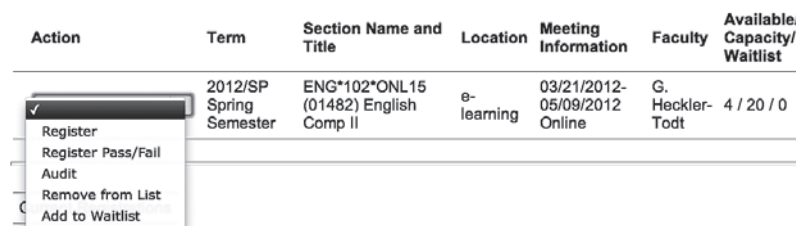

*A new window (below) will appear.*

Click the **Add to Preferred List** next to the course and section you prefer. You will see **Successfully Added** next to the course after you have added it.

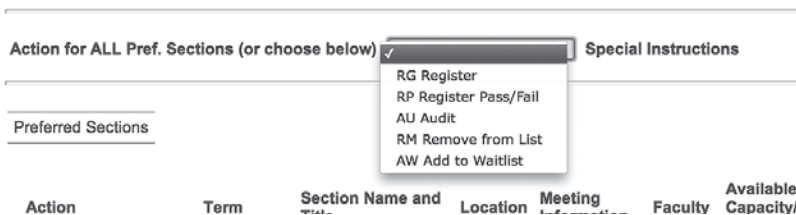

Click **View Your Preferred List**.

Select **Register** from the drop down menu to the left of the course. (If you have multiple courses in your preferred list, you can register for all courses at once by clicking the drop down arrow above the listed courses and select **Register**.) Scroll to the bottom of the page and click **Submit**.

*(or if you have multiple courses in your preferred list)*

## If you haven't logged into mymc3:

Visit **webadvisor.mc3.edu**. Click on **Students** menu. Click on **Register for (Credit) Sections**. Click on **Search** and register for sections (or you can use Express registration if you know the exact info you need.) **Look up** the class you want by entering in at least 2 or 3 fields. (WebAdvisor functions better as a search if you use less search criteria.)

**Check off** the classes you want to enroll in. Click **Submit**.

## make your smart phone ...smarter

Download **MOX** to your smartphone for the latest campus information and phone directory.

This mobile application can be used on iPhone, Blackberry, and Google Android . To download, **visit your mobile app store and search for MOX.**

## sign up for text messaging

In the event of an emergency or weather-related closing, the College provides electronic notification for all students, employees, vendors and community members.

All are encouraged to enroll in this free, up-to-the-minute electronic messaging service. Participants select their choice of delivery — cell, Blackberry, PDA, pager or email.

## log onto [www.mc3.edu/txt](http://www.mc3.edu/txt)

It's free to sign up but standard text messaging rates may apply from your service provider.

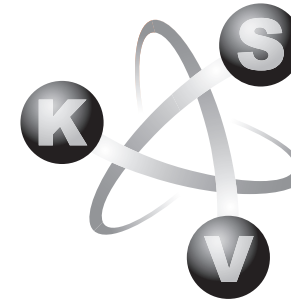

## get your **student ID**

All registered students must obtain a **Mustang Card** for student identification purposes. The College has partnered with Higher One to provide the card for you to use as photo ID while on campus, check out library books, provide easier access to refunds from your financial aid disbursements and more. In the future, the same card will be used for meal plans in the cafeteria and other dining and vending services around campus.

Need a Mustang Card? Please go to Enrollment Services – in College Hall at Central Campus or at the Information Booth in South Hall at West Campus. Your photo will be taken, then your Mustang Card will arrive via mail within 2 weeks. (Please be sure to verify your mailing address with Enrollment Services when your photo is taken.)

To learn more or activate card, **visit [mustangcard.com](http://mustangcard.com).**

## understanding the **general education core curriculum**

The new General Education Core Curriculum has been designed to provide students with a relevant, contemporary and comprehensive education that assures they will be **career-ready, transfer-ready, and citizen-ready.**

Through required courses, electives and dedicated learning activities, students will acquire competencies in **13 fundamental skills, values, and knowledge.**

If you are a current student who has not yet declared a program of study, we strongly encourage you to meet with an advisor. All students enrolled in programs are subject to the requirements of the core curriculum.

For more information about the core curriculum, its educational outcomes, and lists of requirements, ask your advisor, stop by the Student Success Center, or ...

**visit [mc3.edu/academics/core-goals](http://mc3.edu/academics/core-goals).**

## Career Coach

Montgomery County Community College is your best resource for workforce development and job training.

Earn your degree faster,  
with **Flexible Learning Options**

**Montgomery County Community College offers a number of time-accelerated programs to fit your schedule.**

■ **Weekend College**

Complete a Liberal Studies (AS) or General Studies (AGS) degree in approximately 19 months of continuous study. Courses are delivered in a 10-week accelerated format on Fridays, Saturdays, and Sundays.

■ **Continuous Programs of Study**

Some courses are offered 12-months out of the year to complete an associate degree in about 16 months. Visit [mc3.edu](http://mc3.edu) for a complete listing of programs available through continuous study.

■ **Accelerated Delivery**

You can complete a variety of select courses in as little as one week. Courses are also available in 2, 6, 7, 8, 10, and 12-week options.

For more details about flexible learning options, contact the Coordinator of Accelerated and Off Campus Programs at **215.641.6319** or [mbryers@mc3.edu](mailto:mbryers@mc3.edu).
