## INTRODUCING The NEW General Education Core Curriculum

The new General Education Core Curriculum will provide students with a relevant, contemporary and comprehensive education that assures they will be citizen-ready, transfer-ready, and career-ready.

Through required courses, electives and dedicated learning activities, students will acquire competencies in 13 fundamental skills, values, and knowledge.

If you are a current student who has not yet declared a program of study, we strongly encourage you to meet with an advisor. The new Core will begin in fall term, 2011, and all students who enroll in programs after that fall start date will be subject to the requirements of the new Core Curriculum.

For more information about the new General Education Core Curriculum, its educational outcomes, and lists of requirements, ask your advisor, stop by the Student Success Center, or visit [mc3.edu/academics/core-goals](http://mc3.edu/academics/core-goals).

## sign up for text messaging

In the event of an emergency or weather-related closing, the College provides electronic notification for all students, employees, vendors and community members.

All are encouraged to enroll in this free, up-to-the-minute electronic messaging service. Participants select their choice of delivery — cell, Blackberry, PDA, pager or email.

log onto  
[www.mc3.edu/txt](http://www.mc3.edu/txt)

It's free to sign up but standard text messaging rates may apply from your service provider.

## get your STUDENT ID

The College partnered with Higher One to provide the Mustang Card for you to use as photo identification while on campus, check out library books, provide easier access to refunds from your financial aid disbursements and more.

In the future, the same card will be used for meal plans in the cafeteria and other dining and vending services around campus.

Need an ID card or a photo? Please go to Enrollment Services. All registered students must obtain a Mustang Card for student identification purposes. Photos can be taken at Enrollment Services in College Hall at Central Campus or at the Information Booth in South Hall at West Campus. Once students have their photos taken, a Mustang Card will arrive at the address on record at the College within 2 weeks. Please be sure to verify your mailing address with Enrollment Services when your photo is taken.

To learn more or activate card, visit [mustangcard.com](http://mustangcard.com).

Earn your degree faster,  
with **Flexible Learning Options**
