Transfer Studies (Liberal Studies A.A.)

Our fully online Liberal Studies Associate in Arts degree allows students to complete most general education requirements and start as a junior in good standing at one of our four-year partner schools. It is also designed for students who plan to transfer to a four-year institution but are undecided about a major.

TRANSFERABLE: MCCC works extensively with other colleges and universities to develop articulation agreements and guides that will assist students continuing their programs of study at a four-year school. Partnerships with several area schools are designed to ease transfer and maximize the transferability of an MCCC degree. (See partner schools on page 2.)

AFFORDABLE: Our tuition is about one-third that of the average Pennsylvania public college and vastly less expensive than most private schools. ACCREDITED: MCCC is fully accredited by the Commission of Higher Education of the Middle States Association of Colleges and Secondary Schools. QUALITY: Our accomplished faculty members bring a wealth of industry experience and distance learning training to the virtual classroom, where high-quality coursework meets practical application. ACCESSIBLE: If you need the flexibility to complete schoolwork around family and work responsibilities, our online courses are structured to move you to completion.

TRANSFER STUDIES (LIBERAL STUDIES Associate in Arts Degree - A.A.)

Coursework in the Liberal Studies program consists primarily of electives – allowing you to design a program of study tailored to your interests. Program requirements are:

- English Composition I & II
- Qualitative Skills
- Physical and Life Sciences
- Civic Responsibility
- History of Western Civilization
- Computer Fluency
- Behavioral and Social Sciences
- Global Perspectives and Diversity
- Oral Communication Skills
- Aesthetic Sensibility and the Arts
- Exercise and Health Sciences
- Ethical Reasoning and Behavior

This degree provides many options which can help you realize your long term education and professional goals through affordable partnerships with other institutions.

**Dual Admissions** — Guarantees you admission to one of the partner four-year schools. As an added benefit, dual admissions students apply using a free, condensed application and may be entitled to a merit scholarship. Please ask us for details as there are a few requirements that should be completed early in the Dual Admissions process.

- Albright College
- Alvernia University
- Arcadia University
- Bellevue University*
