Criminal Justice A.S.

As a criminal justice professional, you need to stay abreast of the latest developments in this evolving, sensitive and highly technical field. The best way to keep up and advance? Ongoing education. But how can you learn without it interfering with your professional or life responsibilities? Welcome to the Virtual Campus of Montgomery County Community College. We’re training criminal justice professionals through a convenient online format that can be done on your time.

Our faculty includes sitting judges, active members of the prosecutorial and criminal defense bars, active and retired police chiefs, active members of the federal services, and senior-level juvenile justice and corrections practitioners. They have the advanced qualifications and the leadership experience necessary to make this a rewarding experience for the adult in-service learner. This degree offers the opportunity for professional and educational growth, and prepares the in-service professional for seamless advancement toward a baccalaureate degree in Criminal Justice.
